100 Years of Royal Albert

1900 Regency Blue

A typical design of the day, with rich cobalt blue panels and stylised florals, highlighted with gold accents.

1910 Duchess

This design echoes the regency style, with solid black colour but now with the Royal Albert's signature florals.

1920 Spring Meadow

Reflecting the emergence of a more positive era, after World War 1, with beautiful spring flowers placed on a cream background.

1930 Mint Deco

Encompassing a daring world of geometric shapes and structured lines, Mint Deco features a floral pattern and coloured blocks that contrast against a wash of white.

1940 English Chintz

In the 1940's World War II was fought. English Chintz is a pretty floral pattern with roses and forget me knots, typical of the chintz styles at this time.

100 Years of Royal Albert

1920 Wanda

What a Wanda-ful world... Inspired by the original Royal Albert 1920s pattern named Wanda, this delicate design in beautiful yellow and black celebrates a decade of simplicity and sophistication. Truly a blast from the past, and in honour of Royal Albert's 120th anniversary, this pattern delights with delicate spots and beautiful florals for a sleek, stylish & timeless tea party.

1930 Enchantment

Enter a world of Enchantment... archive designs blend for a pretty-in-pink pattern, perfectly reflecting the 1930s. Idyllic settings reveal themselves on a romantic colour palette, for a reflective pattern that embraces the slow-moving nature of the decade.

1940 Florence

Colour and creativity return in this 1940s pattern. Inspired by floral designs, such as Serena and Corn-Cockle from the Royal Albert archive, Florence is brought to life for the 120th anniversary with a beautiful turquoise splash of colour. Surrounded by bright florals that fit perfectly into any modern vintage tea party, enjoy sitting down to tea with the latest guest to the party, Florence.

1950 Jubilee

Jump back in time to this festival decade! The time of the Queen's Coronation, mods, rockers and much more. A celebratory yet neat and sleek vibe is given to this pattern, to express the retro feel of the era. Inspired by Royal Albert's 1950s archive patterns, including Festival and Braemar, flowers dance across this updated anniversary design in a delightful cartwheel motif.

1960 Jazz

Welcome to the swinging sixties! Oversized blooms blend with bold pops of colour and polka dots to create Jazz.

Inspired by the florals featured in the 1960s archive pattern, June Delight - Jazz is an explosion of optimism, a daring statement of change reflecting the exciting decade.

100 Years of Royal Albert

1950 Festival

In 1952 the coronation of Queen Elizabeth was seen the world over. The post war era saw bolder florals signifying a re-birth.

1960 Golden Roses

In 1962 Old Country Roses was launched. The pattern was used in many guises, including this rose design in gold on a pink background.

1970 Poppy

The 1970's were an era of flower power and high speed travel Poppy is decorated in bright coral, orange and yellow colours reflecting the period.

1980 Rose Blush

(Holyrood)

The 1980's were an era of wealth and power dressing. Holyrood is typical of the time with its formal border in rich burgundy and gold.

1990 Bouquet (Hartington Lane)

Huge technological developments were seen in the 1990's, including the internet. Hartington and Lilac lane, two popular designs of the decade, inspired this design combination.

Piranda Kerr Australiana

Warm memories make for incredible inspiration. Miranda Kerr spent her childhood scaling the willow tree near her grandma's house, reveling in the abundant natural beauty of her surroundings before heading inside for tea and cake. Back there, among the boughs, is where this new collection was truly born. Australiana is an exuberant celebration of Miranda's love for the beautiful surroundings of her native Australia, offering accessible luxury through timeless, versatile design.

Piranda Kerr Friendship

Inspired by her love of peonies and butterflies – the Miranda Kerr Friendship Collection comprises fresh florals in new mid-tones of coral and blue, adding soft and soothing colours to the existing pretty pastel palette. Friendship, Blessings, Gratitude, Joy and Devotion are joined by two new designs: Hope and Tranquillity. Hope comes in a feminine coral with soft tones of innocent romance and optimistic outlook. Tranquillity is a warm periwinkle blue expressing whimsy and friendship.
